

Refrigerant Recovery | AC/R System Evacuation | Service Tools & Equipment

Educational Donation Program

Instructors: Appion is dedicated to supporting education in the AC/R industry, and offers FREE equipment to help your program grow.

Purchase 3 MegaFlow™ Valve Core Removal Tools + 3 MegaFlow™ Recovery Hoses and receive a G5Twin Refrigerant Recovery Machine for FREE

Purchase a MegaFlow™ Speed Kit and receive a TEZ8 8CFM Vacuum pump for FREE

That's ~50% savings! Yearly limit: 5/ea per campus

Offer only available to qualified educational facilities which can not be connected to any for-profit mechanical service contractor company. Limit 5 (each) per campus, per calendar year. If additional units are required, contact Appion for details. Appion reserves the right to deny request for any reason. Please allow 2-8 weeks for delivery of donated items. Shipping & handling fees, duties, taxes, and other fees may apply if shipped outside of the contiguous United States. This offer supersedes all previous educational offerings. Proof of purchase is required. COPYRIGHT 2019 - APPION INC - ALL RIGHTS RESERVED
